Attachments: Retained Waters for workgroup discussion.docx; Retained Adjacent Wetlands for Workgroup Discussion.docx

From what I can see, It doesn't look like Pat did much if anything. I see only someone added a place to add a footnote for the assumable waters paper, but didn't type anything in. I think we use what was sent out last week unless we hear otherwise from Pat.

Here they are again

I think I saw pat was reworking the papers? Can you attach them and send them to me please? If they have not changed from what you sent Thursday, then we have paper copies and no need to send me the files. Thanks.

Oh, on today's call we should talk about what is to be covered on the April 18th call. I will not be here so we need discussion on an issue I am not needed for.

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP) that is you, Lauren and Yvonne.

What are your thoughts on which of these should be on the 18th?

I am good with any of these. Your choice.

Thanks and sorry to dump this on you.

- Kathy
